“N.H.M.A. Noesis. History. Memory. Action.
You and me in time...”

E –Twinning - Our Educational Platform

- Sing in
- Ask your administrator to add you as a partner in the N.H.M.A project.
- Now you have access to all the material we have uploaded on e-Twinning.
- Get a written and signed permission from your students' parents in order to invite them to join e-Twinning.
- Ask your administrator to enroll your students in the Project
- You can contribute to the Project in two ways: prepare material/activities and upload it on the platform (photos/worksheets/information about your school etc) and actively engage your students by encouraging them to participate in the online activities/polls/discussions available on the platform.
