# AUTUMN STORIES

In **September and October** we listen every day one fairy tale in book and write its names.

Children have visit to local library.

Every visit we have one task to learn something new.

Listen to fairy tale and make shadow theatre about this fairy tale.

Children independently choose one of 4 fairy tales and make moving puppets for the theatre (must be copied, painted, cut and glued to the stick).

Kids love this task. They continue to do it at home and some make several fairy tales
