In an inspiring gathering that marks the beginning of an extraordinary journey, representatives from Asociacija IVAIGO, Tallinna Liikuri Lasteaed, Vilniaus lopšelis-darželis "Giraitė," and Upesleju sakumskola convened in Riga, Latvia, on January 18, 2024. This monumental partners meeting, under the banner of meeting minutes 2023-2-LT01-KA210-SCH-000173013, set the stage for the ambitious 'Empowering Kids with Special Educational Needs in the Baltics (EKSEN)' project. 🧡🌟

The agenda was packed with enthusiasm and purpose. We dove into initiating the project, clearly delineating responsibilities, exploring upcoming activities, and laying down a solid foundation complete with timelines. 📅💡 This dynamic start underscores our collective mission: to make a significant and positive impact on the lives of children with special educational needs throughout the Baltic region.
