### The class is led by:

Group teacher Sanita Tošena, music teacher Julija Kregžde, psychologist Zane Gulbe

### Purpose:

Emotionally responds to diverse artistic expressions.

### Planned results for the child

He tells the story of his creative work and the work of art depicted the events, characters, expression of emotions and ideas.

### Message to child:

Listening to music, we can think of a variety of stories.

Actualization	Children listened to classical music a lot. Watched a video on playing the orchestra. Familiar with different musical instruments. Familiar with Fairy Tale and Ballet “Nutcracker” Played rhythm with various musical instruments. They improvised themselves with music.	
---------------	--	--

	<p>In natural sciences, they have learned the concepts of stream, waterfall, river, lake, pond, sea.</p> <p>They have begun to acquire the basic skills of painting</p>	
Introduction to the lesson	<p>The teacher begins the story of the Droplet from the cloud.</p> <p>Song along with rhythmic exercise</p>	
Listening to music Making music	<p>"Drop falls in stream"</p> <p>"Stream flows into the river" Children sing with their voice to the rhythm of their music</p> <p>"The river flows into the sea" The story gets dramatic - the sea winds up a storm</p> <p>Each child chooses his own musical instrument and plays improvisatively how he feels.</p> <p>Children are invited to lie down, close their eyes and imagine the drop in the great sea listening to music.</p>	<p><a href="https://www.youtube.com/watch?v=udTF5mwfiAQ">https://www.youtube.com/watch?v=udTF5mwfiAQ</a></p> <p><a href="https://www.youtube.com/watch?v=pBTqFJNjf0s&amp;t=72s">https://www.youtube.com/watch?v=pBTqFJNjf0s&amp;t=72s</a></p>
Painting	<p>Children are encouraged to independently choose where to paint; materials and colors. Arrange workplace. The task of painting the sea.</p>	
Children watching, survey, activity analysis	<p>Teachers go to the children, watch the painting process, ask questions, suggest to tell about their feelings.</p>
